Jack Joyner Saddles His 1,000th

A NDREW JACKSON JOYNER, the veteran trainer, who has charge of George D. Widener's thoroughbreds, was the proudest and happiest man at the Jamaica track yesterday afternoon when Messines won the Highland Selling Stakes. The victory of this son of Garry Herrmann meant more than a mere selling race purse to him; it meant his one thousandth winner, for a total of \$1,707,653.75.

Jack Joyner, as he is called on every race course in the country, has been training thoroughbreds for thirty-six years, and during almost all of that time has ranked among America's foremost horsemen. He has trained for a host of sporismen here and in England, and, with the exception of the Brooklyn Bandicap, saddled a winner of every turf classic in America.

At 19 years of age Jack Joyner came out of North Carolina and bought himself a few thoroughbreds. With these he had indifferent success. A few years later he signed with the late T. D. Davis, uncle of Joseph E. Davis, and Col. F. M. Hall. With those two noted sportsmen he had great success. In later years he trained for Pierre Lorillard, Sr., Pierre Lorillard, Jr., James B. Haggin, Sidney Paget, August Belmont, William C. Whitney, Perry Belmont, Oliver H. P. Belmont, Herman B. Duryea, H. T. Oxnard, the Earl of Lonedale, Joseph E. Widener, J. E. McDonald, Dave Gideon and George D. Widener.

While with Messrs, Haggin and Paget he had his most successful years. Frem 1902 to 1907 he won for these sportsmen 5529,316, his horses finishing descriptions.

While with Mesers. Haggin and Paget he had his most successful years. From 1962 to 1997 he won for these sportsmen 3522,316, his horses finishing first 185 times, second 146 times and third 119 times. When the Percy Gray law went into effect in 1968 the late W. C. Whitney sent him to England. There he had phenomenal success. Besides Mr. Whilneys barses he had charge of Hernan B. B. Durgea's and those belonging to the Earl of Lonsdale. He was in England seven years. In recent years his horses have not been of championship calibre, and wan few states, but Mr. Joyner is condidon he will succeed in making his a cirnings reach the two million mark. He said yesterday the best horses we trained were Ethelbert, Fair Play, Water Boy, Hamburg Belle and

On the fourteenth Dick was in trouble all the way, requiring 5 to reach the green, while Oulmet, being down in 4, became three up. The fifteenth was halved in 4s, and at the sixteenth Dick missed a short putt, which enabled Oulmet to capture the match by 3 up and 2 to play.

The race was a good one. Messines and Vibrate went away from the field in the first sixteenth of a mile and fought it out nip and tuck until entering the home stretch. While Zoeller was making this move Halu, which was outrun in the early stages, came with a rush and was running strongest at the end.

The Columbia purse, the secondary feature, resulted in a hollow victory for jers. Payne Whitney's Debadou. This was a two horse affair, W. R. Coe's David Harum being Debadour's only opponent. The Whitney horse was much too fast for David Harum, and taking the track at the start galloped the entire distance, to win, eased up, by four lengths. engths.

Twenty-seventh Division, owned by the Allies Stables, was a starter in this race but never had a chance to show his worth. He was knocked back soon after the start and didn't get clear sailing until too late. He is said to have worked as fast as any two-year-old at Belmont Park.

# ONE DAVIS CUP TIE REMAINS IN DOUBT

Philippines Have Not Yet Responded as to Venue for Japanese Match.

By SAMUEL J. BROOKMAN. In an effort to determine definitely where the preliminary between the Philippines and the Japanese tennis teams is to be played the United States

mark team in the second, the South
American Republic has a fine chance
of reaching the semi-final round. The
Argentinians were a bit fortunate in
drawing an opponent against whom they
have a splendid chance, but they may be
underestimating the strength of the
Danes, who in a series of informal
matches against Germans, Belgians.
Norwegians and Swedes won every
match they played last year. Tennis apparently has made rapid strides in Argentina. A circular announcing the parently has made rapid strides in Argentina. A circular announcing the championships of the Rio de la Plata shows thirteen events on the programme, including competitions for juniors, girls, men and women, in singles, doubles, mixed doubles and handicap events.
